

College of Education Readmission Application to Ended Program

This application can only be used if you are not able to use the Registrar's Office online Readmission application, because the program that you are admitted to is scheduled to end. Readmission is not guaranteed. You must be able to complete your program by the program end semester, in order to be considered for readmission. If you are reapplying to a PhD program and passed comprehensive exams prior to taking leave from the program, you may be required to retake comps.
