

Master's Degree in Teaching and Curriculum Program Plan
College of Education

Each student and his/her advisor must prepare a program plan before the student completes 10 semester hours. Degree candidates must obtain *final* program approval from their advisor before the semester in which they enroll for the final course in their program. This will help ensure that the final degree certification is not delayed due to an outdated program plan on file.

Name:	PID:	Advisor:
Department/Program/Code:		Teacher Education/Teaching and Curriculum/

All requirements (including transfer credits) must be completed within five calendar years from the date of the first course accepted toward the degree requirements. The final twenty credits must be completed while the student is accepted to a degree program (not a lifelong or grad cert student).

Courses Constituting Student's Master's Degree Program					
Course Number	Title	Credits	Course Number	Title	Credits
Professional Development and Inquiry Core		9	Concentration *		9
