EDUCATION

Michigan State University, East Lansing, MI

PhD in Kinesiology

Concentration: Psychosocial Aspects of Sport and Physical Activity

Advisor: Deborah Feltz, PhD

Anticipated Graduation: May 2018

Miami University, Oxford, OH

Master of Science in Kinesiology and Health

Concentration: Psychosocial Sports Studies

August 2014

Thesis: Conception of ability, self-efficacy, and goal discrepancy in a running task

Advisor: Melissa A. Chase, PhD

Louisiana State University, Baton Rouge, LA

Bachelor of Science in Kinesiology

May 2011

Major: Human Movement Sciences

RESEARCH EXPERIENCE

Graduate Research Assistant

July 2014- Present

Exergame Research Laboratory, Department of Kinesiology

Instructor: Deborah Feltz, PhD

Research Assistant, Dr. Melissa A. Chase

August 2012- June 2014

Miami University, Department of Kinesiology and Health

- Assisted with various phases of quantitative and qualitative research projects
- Conducted review of literature for current research projects

Lead Interventionist, Pennington Biomedical Research Center

May 2011 – July 2012

Department of Preventive Medicine

- Worked on multiple NIH funded clinical exercise trials
- Trained undergraduate student lab workers
- Screened participants, tracked compliance and adherence

Student Worker, Pennington Biomedical Research Center

October 2007 – May 2011

Department of Preventive Medicine

- Recorded exercise data
- Maintained participant safety throughout exercise sessions

Presentations

Hill, C.R., Carson, R.L., & Stewart, L.K. (April, 2012). *Burnout Dimensions Among College-Aged Individuals Training for their First Marathon*. Presentation at National AAHPERD Convention, Boston, MA.

Chase, M.A., Hill C.R., Myers, N., Pierce, S., Martin, E. (October, 2013). *Applied Implications of Coaching Efficacy Beliefs for Youth Sport Athletes and Coaches*. Presentation at National AASP Convention, New Orleans, LA.

Hill, C.R., Chase, M.A., & Geller, K.S. (February, 2014). *Conception of Ability, Self-Efficacy, and Goal Discrepancy in a Running Task*. Presented at Midwest Sport & Exercise Psychology Symposium, Bowling Green, OH.

Thesis

Conception of ability, self-efficacy, and goal discrepancy in a one-mile running task.

Committee Members: Dr. Melissa A. Chase (Professor in Sport Psychology). Dr. Karly Geller (Assistant Professor in Health Psychology), Dr. Ronald Cox (Associate Professor in Exercise Physiology)

TEACHING EXPERIENCE

Graduate Teaching Assistant

Miami University, Department of Kinesiology and Health

Courses taught independently:

KNH 120C: Individual Exercise	Fall 2012, Spring 2013
KNH 120G: Weight Training	Fall 2012
KNH 120L: Jogging for Fitness and Health	Spring 2013
KNH 382B: Lab for Exercise Testing and Prescription	Fall 2013

Courses taught with faculty:

KNH 375: Psychological Perspectives in Sport & Exercise Course Professor: Dr. Melissa Chase	Spring 2013
--	-------------

- Assisted in development and grading of assignments
- Conducted review sessions prior to exams
- Taught lectures throughout semester

KNH 447: Sport Pedagogy for Coaches and Practitioners Course Professor: Dr. Melissa Chase	Fall 2013
--	-----------

- Assisted in development and grading of assignments
- Taught lectures throughout semester
- Lead in-class activities

Guest Lecturer

Miami University, Department of Kinesiology and Health

KNH 375: Psychological Perspectives in Sport & Exercise

Major Professor: Dr. Melissa Chase

Topics: Psychological Skills Training

March 5, 2013

Burnout

April 23, 2013

Graduate Student Teaching Enhancement Program (GSTEP)

Miami University, Graduate School Community, CELTUA

Spring 2013

- Attended 8 seminars throughout the semester related to various aspects of pedagogy and teaching
- Introduced to valuable teaching resources and technologies
- Created statement of teaching philosophy and initiated professional academic portfolio

SERVICE

Graduate Student Committee Representative

August 2012 – May 2014

Miami University, Department of Kinesiology and Health

Professional Organization Membership

- American Alliance for Health, Physical Activity, Recreation and Dance (AAHPERD)
- Association for Applied Sport Psychology

WORK EXPERIENCE

Graduate Assistant, Miami University

August 2012 – May 2014

Department of Kinesiology and Health, Oxford, OH

Content Tutor, Center for Student Athletes, LSU

August 2010- May 2011

- Tutor student athletes in the courses such as Introduction to Psychology, Child Psychology, The Psychology of Aging, and Biomechanics.

RELEVANT RESEARCH LAB EXPERIENCE

Pennington Biomedical Research Center, Baton Rouge, LA

Exercise Testing
Participant Compliance and Adherence
Data Collection
Scheduling and Budgeting Projects
Calibration of Equipment
Student Training and Development

RELEVANT COURESWORK

Miami University, Oxford, OH

Psychological Foundations in Sport
Psychological Interventions in Sports
Social Psychology of Sport and Physical Activity
Developmental Perspectives of Youth Sport Participation
Behavioral Statistics II
Qualitative Research Methods in Higher Education
Research Methods

CERTIFICATIONS

Certificate in College Teaching

May 2014
