

Dear College of Education Students,

We are pleased to have the opportunity to provide “Heartsaver First Aid Pediatric” courses for you through the Michigan State University Learning and Assessment Center (LAC). The LAC is an approved Training Center for the American Heart Association.

In order to provide more flexibility to coincide with your demanding schedules, we are going to provide an online option exclusively for your group. Shortly after registration, you will receive an online key to access “Part 1”. Upon completion of “Part 1”, you will print your certificate to bring for “Part 2”, which is the hands-on skills portion (e.g. cpr, bandaging, etc.). “Part 2” will be provided conveniently for you in Room 107 Erikson Hall. We have scheduled two options for you for “Part 2”: October 22 or November 19 from 4:00-5:30 p.m. Cost for the course will be \$65.00 and your card will be valid for two years.
