APPLICATION FOR THE MICHIGAN **STANDARD** CERTIFICATE
(formerly known as Provisional Certificate)

The Standard Certificate, Michigan's initial teaching credential, is valid for a period of five years during which the holder is expected to gain experience as a practicing teacher and complete the advanced coursework required for the next level of certification (the Professional Certificate).

Applying for the Standard Certificate is a two-step process.

To apply, applicants must:

1. Submit materials required by the MSU Certification Office in a single packet to 620 Farm Lane, Room 134, East Lansing, MI 48824, and
2. Initiate an application with the Michigan Department of Education (MDE) using the Michigan Online Educator Certification System (MOECS).

These two steps can be completed in either order or concurrently; however, both steps must be completed before the certificate can be issued. Incomplete applications will not be reviewed. Instructions for both steps are below.

Instructions for Applying for the Standard Certificate

I. Complete and submit the following materials in a single packet to the MSU Certification Office

- _____ Standard Certificate Application, completed, signed (in ink) and dated
- _____ Conviction Disclosure Form, completed, signed (in ink) and dated
- _____ Applicants with convictions must also submit a Register of Actions or Judgment of Sentence from the court in which they were convicted, or a letter from the MSU Certification Officer indicating that the conviction has already been reviewed.
- _____ Verification of current MDE-approved Adult/Child CPR and First Aid training; please check one (below) and attach copies of your verification cards with signatures.
 - _____ American Heart Association

- _____ Verification of name change, if applicable (e.g., driver's license, social security, etc.)

Note: Endorsements appear on the teaching certificate only if the applicant has (1) successfully completed all coursework required for the endorsement(s) and (2) passed the corresponding MTTC subject test(s). If an applicant has completed coursework but has not passed the MTTC required for an endorsement, he or she can request that the certificate be processed without the endorsement(s). In this case, the applicant must complete and submit an Elementary or Secondary *Request for Standard Certificate without All Endorsements* form. Applicants taking the test in April should *not* submit this form until results have been received in May.

Please bring or mail your MSU information packet to:

II. Register with MEIS and apply for certification using MOECS

The online MOECS application is automatically routed to the MSU Certification Office for review. MSU's review cannot be completed until the required materials have been received. When MSU indicates its approval of the online application, MDE will notify the applicant by email and require online payment of a \$160 certification fee. Following payment, MDE will issue the certificate and mail it to the applicant.
