TO: Deans, Directors & Chairs

FROM: Paulette Granberry Russell, J.D.

Senior Advisor to the President and Director of Office for
Inclusion and Intercultural Initiatives

SUBJECT: Deferred Action for Childhood Arrivals (DACA) Program
Website

Today, we are launching a new website that will provide information and resources for undocumented students, refugees and recipients of the Deferred Action for Childhood Arrivals (DACA) program.

The website reflects our policy of non-discrimination and commitment to current and prospective students who, regardless of immigration status are, or aspire to be Spartans. MSU recognizes that students, staff and faculty with mixed-immigration status often face barriers and challenges as they navigate campus policies requiring support services to address their unique needs. Our goal is to reduce apprehension, confusion, and make more transparent our resources for those who live, learn and work at Michigan State or desire admission to MSU.
